Welcome to February! Thanks for reading the newsletter. The students and staff at Plainville are dedicating February activities to the Norris family ☺. Alex is a First Year student here and is on an extended stay at Sick Kids. There are a few events taking place in the community as well to raise funds for the family, and increase awareness of Leukemia. **You can read about them in this newsletter!**

We send home Term 1 report cards on Feb 20th. Upon receiving your child's report card, please connect with your child's teacher with any questions. As a staff we are already planning Term 2 goals and activities, and look forward to continued learning alongside you and your child.

We welcome Mr. Farrant to our team for a few weeks and wish Mrs. Muir a speedy recovery. We are also thrilled to have Ms. Carr join us as a CYW for the remainder of the year.

Enjoy doing some winter activities together as a family and stay warm!

Ms. Marris ☺

CAPTAIN COMPUTATION IS HERE AT PLAINVILLE!!

WHO IS THIS FINE FELLOW?

Captain Comp is motivating us to become more confident and more efficient with numbers! Students are working on weekly problems, to build their skills. We are also tracking our success with the weekly "Captain Computation Challenge". When the PA system music starts, you have 10 minutes to complete your number challenges. Way to go, Panthers!! You are making The Captain very proud!

PARENTS!! YOU CAN PLAY TOO!! Simply grab a number problem from the Captain Comp bulletin board. Complete it as a family and drop it in the big red mailbox. You've got this!!
